

FEE STRUCTURE

SUNNY TOWN LEARN AND PLAY CHILDCARE CENTRE

We are an approved facility and receives CCFI funding and CCOF Funding.

*It is important to note that CCFI is renewed by the government on an annual basis. As a childcare provider we must reapply each year and contracts are renewed each April.

While we do not anticipate any changes or significant delays, families should be aware that they are responsible for the full tuition price should such changes or delays occur.

Sunny Town Childcare would always provide a minimum 30 days grace on such unexpected changes, as we know the impact on families is not inconsequential.

Again, we do not anticipate that this funding would be decreased, but want families to be aware that it is not within our control.

We also accept ACCB (Affordable Child Care Benefit) Funding subsidy. Families will be responsible for paying full tuition fees until their subsidy gets approved and funded.

New Fees structure, are our total fees including Base Parent Fees, CCFI, CCOF, Special Events, Special Guests and Curricular Enrichment Programs we offer throughout the year.

We do charge an optional enrichment fees for specialty classes.
